

PREFACE

INTRODUCTION:

Students join the college for pursuing their higher education with great hopes. An educational organization should cater to all the needs of the students. However filling the gaps in learning is almost aim of it. Identifying the very fact Department of Botany has planned for Remedial coaching with the following objectives.

OBJECTIVES:

- ① To help struggling learners show up their basic skills.
- ② To help the slow learners to catch up the class pace.
- ③ Fill in the gaps that have crept into the students' learning.
- ④ Rectify the concepts that have been confused or misunderstood.
- ⑤ To provide necessary and correct foundation to rectify past mistakes and improve future learning.

METHOD OF GRADING

Generally poor learners are identified by their performance in the examinations. So basing upon their marks secured at Intermediate level students are classified into three categories such as ① poor - secured just poor marks below 30. ~~below~~

NATURE OF

REMEDIAL COACHING:

② Average - 30 to 40

③ clever. - Above 40

The students who fall below 30 are taken and given remedial coaching before the public examinations. The coaching includes revision of important topics, clarifying doubts, providing simple notes etc.
