BRIEF REPORT ON JKC TRAINING FOR 2023-24

CONTEXT

The ever increasing prominence of India on the global map has lead to a growing demand for hard working and talented students good with computer skills, communication skills and industry related skills. The doors of global job market are opened to students who can speak fluently, compute quickly, write legibly and analyze logically. The conventional curriculum offered through B.A., B.Com and B.Sc., courses does not impart requisite skills relevant for dynamic job market especially that of emerging industries like Software and BPO. The Department felt the need to offer training to bridge the skill deficit of students and to enable them seize employment opportunities in job market.

INITIATIVE

Jawahar Knowledge Centres (JKCs), the excellent Finishing Schools instituted in 2005 by the Government of Andhra Pradesh with a mission to enhance employment opportunities of students in Government Degree Colleges of the State have made a difference in the lives of a large number of students. The increasing prominence of India on the global map and the explosion of IT opportunities have created the need for placement assistance cells that would improve the career prospects of our students. The JKCs with a dedicated focus on transforming the existing unemployable talent pool in Government Degree Colleges into an industry friendly one is striving with commitment and sincerity of purpose.

The Department strongly believes that there is definitely no dearth of talent and intelligence in our students but there is a severe want of confidence and communication skills. With an intention of bridging the gap between academics and industry and train our students in the weak areas, the JKCs in Government Degree Colleges have evolved into a useful training platform.

Mentors, who have been specially trained by language experts from US state department, give training to all the students in Soft Skills and Communication Skills. Technical specialists along with the Language mentors offer training in Technical Skills, Analytical Skills, Management tools, Computer usage and Personality development. They inculcate confidence in the young learners and help them to effectively and boldly face the needs and challenges of a rapidly changing global business environment.

ORIGIN

The Students who come to this college, for higher studies, belong to economically backward section. Their parents, who are either farmers or work as daily wagers, are unable to provide their children with the right kind of exposure for the jobs which, in the present day world, are highly competitive and demand a tough preparation. Keeping this in view Jawahar Knowledge Center was established at Govt. Degree College, Addanki, Bapatla District. It began as a department temporarily in the year December-2007, gained recognition and thus a permanent status in the year 2008.

A Report on Wadhwani Foundation & 21st Century Employability Skills Course

The Facilitator Orientation Program (FOP) in 21st Century Employability Skills Course was conducted by Wadhwani Foundation in partnership with APSCHE on 13th& 14th July – 'APSCHE B-5 - 13th & 14st July-23 (10am-1:00pm)'

The Aim of this program is to orient the Faculty on Wadhwani Foundation 21st Century Employability Course, its content, online platform (LMS) and the unique teaching methodology (Experiential learning).

Objective of this program and how will it helps

- To sensitize the curriculum and content of Wadhwani Foundation
- Help Faculty successfully implement the course using the Experiential Learning Pedagogy and 'Blended Learning' methodology.
- Guide Faculty to apply flipped classroom approach effectively.
- ➤ To Enhance proficiency with the concepts of employability and the overall usage of the platform to track the performance of the students

Orientation programme has a simple goal-getting faculty ready to deliver the course with the help of:

- Calendared digital sessions with the mandatory attendance and self-paced learning with milestones.
- 1. Qualifiers of this program are attendance, participation, and assessments
- 2. Join the Google Classroom using Gmail ID

After Completing the Certification programme, Opportunity Account has been created with Wadhwani Foundation's Network to enroll the batches and start the course. Password and link to login was shared.

Password to Login to the Opportunity Network.
