KRKGDC, Addanki Successfully Organizes 3-Day International Webinar 'Parivarthana'

Addanki, Feb 6, 2025: Sri Katta Ramakoteswara Rao Government Degree College (KRKGDC), Addanki, successfully conducted a 3-day international webinar titled 'Parivarthana' from 2nd to 4th February 2025, through the Zoom platform. The event was jointly organized by the Departments of Life Sciences and Languages and attracted a tremendous response with over 750 registrations from across the globe. The programme commenced on 2nd February with an inspiring talk on "Learning Values" by Dr. P. Prashanthi from the USA. In the afternoon, a debate competition on the topic "Role of Youth in Building Values in Society" was held. Mr. B. Akash from KRKGDC, Addanki secured the first prize, followed by Khaza from Silver Jubilee College, Kurnool (second prize) and Sri Praharshita from Hyderabad (third prize).

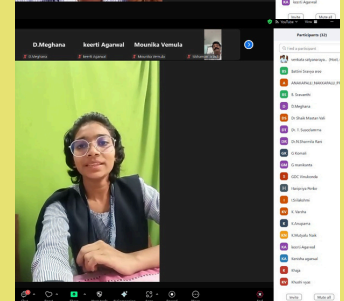

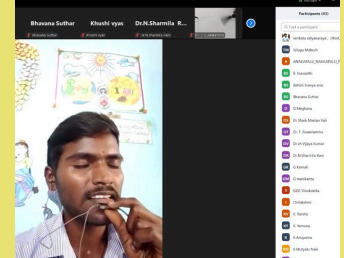

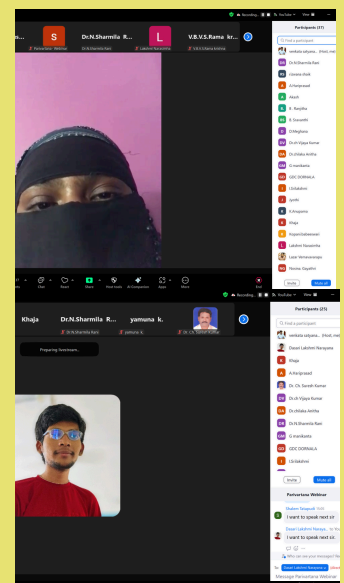

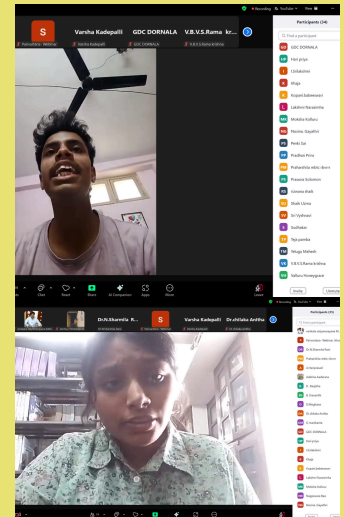

On 3rd February, Dr. Prasuna Solman delivered a lecture on “Social Behaviour” in the forenoon session. In the afternoon, a One-Minute Talk Competition was conducted, where T. Praharshitha from Hyderabad won the first prize, Soni from Hyderabad got the second prize, and N. Gayatri from Guntur secured the third prize.

The final day, 4th February, featured a keynote address by Ms. V. Vijaya on “Indian Culture and Practices”, followed by an enlightening session on Soft Skills and RTI by Sri P. Syamul Jonathan, Commissioner, AP Information Commission. The afternoon witnessed a vibrant singing competition, where N. Shara from Addanki bagged the first prize, B. Sravya from Kurnool the second, and Ch. Gopiram from Kakinada the third.

The organizing committee comprising Sri D. Rajashekar, Dr. N. Sharmilarani, Dr. Ch. Anitha, Sri V.B.V.S. Ramakrishna, Dr. Mastanvali, and Sri B. Ashok Kumar received high appreciation from Dr. V. Mohanarao, Principal, KRKGDC, Addanki for their dedicated efforts in making the event a grand success. Sri M.V. Satyanarayana, IQAC Coordinator, extended heartfelt thanks to all participants, resource persons, and team members for their valuable contributions and cooperation in executing this successful academic endeavour.

Principal's Participation in the Madan Mohan Malaviya Mission Teacher Training Programme

The University Grants Commission (UGC) has launched the Madan Mohan Malaviya Mission Teacher Training Programme with the noble objective of enhancing the quality of education at all levels. This mission seeks to promote academic excellence by empowering teachers with the latest pedagogical skills, leadership abilities, and a spirit of innovation.

As part of this initiative, selected Principals from Government Degree Colleges across the Andhra Pradesh state were given the opportunity to undergo specialized training to nurture future leadership in higher education institutions. Dr. V. Mohanarao, Principal of K.R.K. Government Degree College, Addanki, was one of the distinguished few chosen for this prestigious programme.

Dr. V. Mohanarao successfully completed the Nurturing Future Leadership Programme held at the renowned S.P. Jain Institute of Management and Research, Mumbai, from 24th February to 28th February, 2025. The training focused on leadership development, institutional planning, governance, innovation in education, and strategic decision-making in academic administration.

This achievement reflects not only the individual merit and leadership potential of Dr. V. Mohanarao but also brings pride to the faculty, staff, and students of KRK Government Degree College, Addanki. His exposure to such advanced leadership practices is expected to bring progressive changes and qualitative improvements in the functioning and academic environment of the institution.

KRKGDC, Addanki Observes Deworming Day in Collaboration with PHC

Addanki, February 10, 2025:

Sri Katta Ramakoteswara Rao Government Degree College (KRKGDC), Addanki, observed National Deworming Day on 10th February 2025 in collaboration with the Primary Health Centre (PHC), Addanki. The programme was organized as part of a nationwide health initiative to raise awareness about intestinal worm infections among students and to promote better hygiene and well-being.

Medical staff from PHC, Addanki visited the college campus and administered Albendazole tablets to all students, as per the guidelines of the Health Department. The health officials also educated students about the importance of deworming, the symptoms of worm infections, and the preventive measures to be taken, such as regular handwashing and using clean drinking water.

Speaking on the occasion, Dr. V. Mohanarao, Principal of KRKGDC, emphasized the importance of maintaining good health for academic excellence and personal development. He appreciated the efforts of the PHC staff and college faculty in organizing the event effectively.

The programme was coordinated by Sri B.Ashok kumar, lecturer in Zoology, and Sri.D.Rajashekar, lecturer in botany, Coordinator, NSS.

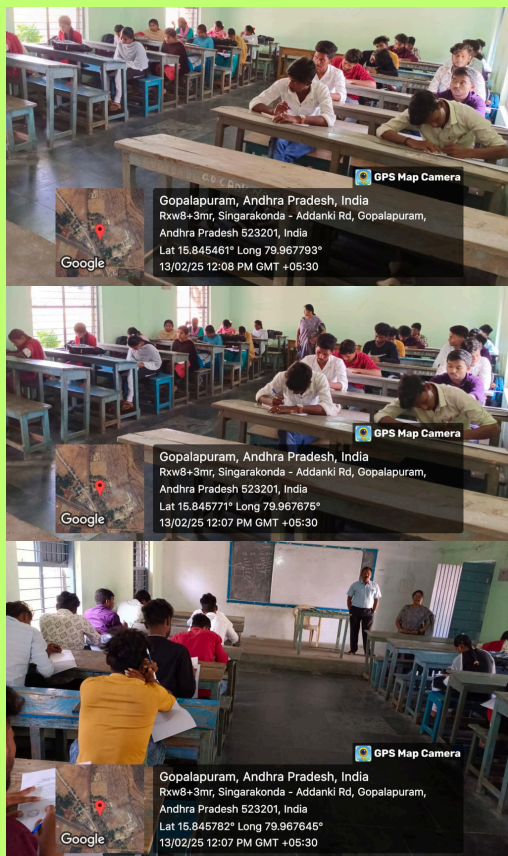

Department of Mathematics Organizes Guest Lecture on Logical Skills at KRKGDC, Addanki

Addanki, 12-022025

The Department of Mathematics at Sri Katta Ramakoteswara Rao Government Degree College (KRKGDC), Addanki organized an insightful guest lecture on "Logical Skills", aimed at enhancing the analytical and reasoning abilities of students.

The session was delivered by Dr. K. Keziya, Lecturer in Mathematics at D.S. Government Degree College for Women, Ongole. Drawing from her extensive academic experience, Dr. Keziya explained the significance of logical thinking in problem-solving and competitive examinations. She engaged the students with practical examples and interactive problem-solving activities, encouraging them to approach mathematics with confidence and clarity. The session received an enthusiastic response from the students, who actively participated and appreciated the simplified approach to complex logical concepts. Faculty members from various departments also attended the lecture.

KRKGDC, Addanki Successfully Conducts Mid-Term Examinations for II and IV Semester Students

Sri Katta Ramakoteswara Rao Government Degree College (KRKGDC), Addanki, successfully conducted the Mid-I examinations for Second Semester and Mid-II examinations for Fourth Semester students from 13th to 15th February 2025. The examinations were held in a smooth and disciplined manner across all undergraduate programmes, under the supervision of the Examination Committee. Students appeared for their respective subject papers as per the scheduled timetable, and necessary arrangements were made to ensure a fair and secure examination environment. Dr. V. Mohanarao, Principal of KRKGDC, encouraged students to treat internal assessments with sincerity, as they play a vital role in their academic performance and continuous internal assessment (CIA) marks.

National Science Day Celebrated with Enthusiasm at KRKGDC, Addanki

Addanki, February 28, 2025:

Sri Katta Ramakoteswara Rao Government Degree College (KRKGDC), Addanki, celebrated National Science Day on 28th February 2025 with great enthusiasm and academic spirit. The event was organized by all the Science Departments—Physics, Chemistry, Botany, Zoology, and Computer Science, to commemorate the discovery of the Raman Effect by the great Indian physicist Sir C.V. Raman, which earned him the Nobel Prize in Physics in 1930.

The programme began with the lighting of the lamp and a tribute to Sir C.V. Raman, followed by the welcome address by Dr. V. Mohanarao, Principal of KRKGDC, Addanki. In his speech, he highlighted the importance of fostering scientific temper among students and emphasized the role of science in transforming society through innovation and rational thinking. Faculty members from various science departments delivered insightful talks on the importance of science in everyday life.

- Sri V.B.V.S. Ramakrishna, Lecturer in Chemistry, explained the role of chemistry in health, hygiene, and food safety.
- Sri B.Ashok kumar, Lecturer in Zoology, spoke about the impact of biology in understanding human life, diseases, and biodiversity conservation.
- Dr. D. Rajashekar, Lecturer in Botany, discussed the relevance of plant science in agriculture, environment, and sustainability.
- Dr. V .Prasad, Lecturer in Physics, highlighted the applications of physics in technology, transportation, and energy.
- Dr.Ch.Prasad, Lecturer in Computer Science, elaborated on the growing influence of digital technologies and artificial intelligence in modern life.

The event also included student presentations, posters, and a science quiz to engage participants and encourage creative thinking. Students actively took part and expressed their views on how science and innovation can solve real-world problems.

The programme was coordinated by the faculty of science departments with the support of student volunteers. Sri M.V. Satyanarayana, IQAC Coordinator, appreciated the collective effort and remarked that celebrating such days helps nurture curiosity and critical thinking among young minds.

The celebration of National Science Day at KRKGDC, Addanki, stood as a testament to the institution's commitment to promoting scientific awareness and inspiring future scientists and innovators

Certificate Course on Yoga and Meditation

As part of its vision to promote holistic well-being and mental wellness among its academic community, K.R.K. Government Degree College, Addanki, launched a Certificate Course on Yoga and Meditation on 30th January 2025. The programme is spearheaded by the Department of Physical Education and is designed to impart both theoretical understanding and practical application of traditional yogic practices.

The course offers students and staff an enriching experience in:

Yoga Asanas– Enhancing physical flexibility, strength, and posture

Pranayama – Breathing techniques for mental clarity and stress relief

Dhyana (Meditation) – Cultivating mindfulness and inner calm

The classes are conducted by a dedicated team of faculty members with interdisciplinary involvement:

-Dr. T. Sushelamma, Lecturer in Physical Education

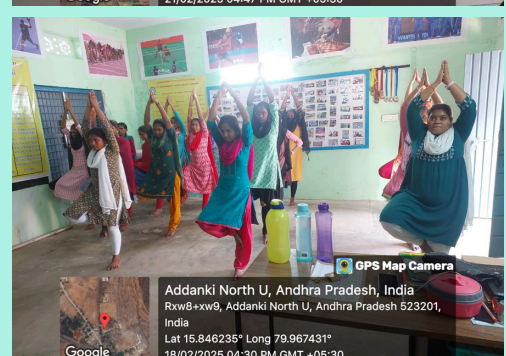

-Dr. V. Prasad, Lecturer in Physics

-Mr. A. Sikhamani, Lecturer in Commerce

-Mr. M. V. Satyanarayana, lecturer in Hindi, who provides hands-on training and guidance in practical sessions

The initiative has been met with enthusiastic participation and positive feedback. Both students and staff have expressed significant benefits, including improved concentration, reduced stress, and enhanced emotional resilience.

This course reflects KRKGDC's continued emphasis on fostering a balanced educational environment where physical health and mental well-being are as valued as academic achievement.

ADMISSION CAMPAIGN FOR KRKGDC ADDANKI

K.R.K. Government Degree College, Addanki, has officially commenced its admission campaign for the Academic Year 2025–26. With a steadfast commitment to academic excellence and holistic development, the college invites applications from aspiring students seeking quality higher education.

This year's campaign highlights the institution's NAAC-accredited programs, student-centric learning environment, and a range of undergraduate courses tailored to meet evolving educational and career demands. Outreach efforts include on-campus counseling support, digital promotions, and community engagement initiatives to ensure maximum accessibility and awareness.

Prospective students are encouraged to visit the college or access official channels for detailed admission procedures and eligibility criteria.

Swachh Campus Initiative Under SASA Programme

As part of its continued commitment to social responsibility and sustainable campus development, K.R.K. Government Degree College, Addanki, has undertaken a Swachh Campus initiative under the Students as (SASA) programme.

This ongoing campaign engages students, faculty, and staff in coordinated activities aimed at enhancing campus hygiene, promoting waste management awareness, and fostering eco-conscious habits. Key activities include:

- Regular campus clean-up drives, Awareness posters and interactive sessions on proper waste disposal, Maintenance of green zones and promotion of a plastic-free environment, Student-led monitoring and documentation of cleanliness practices.

KRKGDC continues to promote active citizenship through meaningful engagement in socially impactful campaigns.

KRKGDC Students Shine at Essay Writing Competition

Addanki, February 8, 2025 — Students from KRKGDC, Addanki, brought pride to their institution by excelling in an intercollegiate Essay Writing Competition held at Indira Priyadarshini Law College, Ongole. Among the standout performers, N. Chinalingaiah, a B.A. student, was awarded a cash prize of ₹5116, while N. Saramma, from the B.Sc stream, received ₹1116 for her commendable performance. Both winners were honored with certificates and cash prizes by Smt. D. Nagasatyathala, wife of the local MLA, during the valedictory ceremony. The Principal of KRKGDC, Dr. V. Mohanarao, along with faculty and staff, extended their heartfelt appreciation to the students, commending their achievement and encouraging them to pursue further academic and literary excellence.

KRKGDC Addanki Students Showcase Sportsmanship at Inter-University Sports Meet

In a commendable display of athleticism and team spirit, students from Kandukuri Rajyalakshmi Government Degree College (KRKGDC), Addanki actively participated in the Inter-University Sports Meet, held at Sports complex and organized under the aegis of Acharya Nagarjuna University.

Representing their college with pride and determination, the student-athletes competed in weightlifting event earning admiration for their enthusiasm and fair play. The Principal, Dr. V. Mohanarao, along with faculty and staff, applauded the participants for their dedication and encouraged them to continue pursuing excellence.

Guest Lecture on 2024 General Elections Organized by Political Science Department at KRKGDC, Addanki

Addanki, February 20, 2025:

The Department of Political Science at Sri Katta Ramakoteswara Rao Government Degree College (KRKGDC), Addanki, organized a thought-provoking guest lecture on the 2024 General Elections on 20th February 2025. The lecture was delivered by renowned academician Dr. K. Prabhudass, who provided valuable insights into the electoral process, voter behavior, party dynamics, and the democratic significance of the recent general elections held in India.

Dr. Prabhudass engaged the students with an in-depth analysis of the election outcomes, emerging political trends, and their implications for Indian democracy. He also emphasized the importance of youth participation in the democratic process, both as informed voters and future leaders.

The session was well-received by students and faculty alike, fostering awareness and encouraging critical thinking on current political affairs. The event was coordinated by Sri G. Sivakoti, Lecturer in Political Science, who played a key role in organizing the lecture and facilitating student interaction with the resource person.

Mr. M.V. Satyanarayana Participates in Training Program for Anganwadi Teachers at Talluru Junior College

Mr. M.V. Satyanarayana, Lecturer in Hindi and IQAC Coordinator at KRKGDC, Addanki, actively participated as a resource person in a training program organized for Anganwadi teachers at Talluru Junior College. The program was conducted under the banner of Sarva Shiksha Abhiyan, focusing on the excellence and overall development of children in early childhood education.

Addressing the gathering, Mr. Satyanarayana emphasized the vital role of Anganwadi teachers in shaping the foundational years of a child's life. He spoke on key areas such as child psychology, effective teaching methods, value-based education, and the importance of nurturing creativity and curiosity among children. He also highlighted how early childhood care directly influences academic, emotional, and social development.

The training session included Heartfulness meditation classes for overall development of teachers and children.

Dr. V. Mohanarao, Principal, K.R.K. Government Degree College, Addanki, actively participated and presented a scholarly paper in the International Seminar on “Samakaalin Saahitya ki Vibhinna Samasyaen” held on 22nd February 2025. The seminar was organized by the Department of Hindi, Montessori Mahila Kalashala, Vijayawada.

The event brought together distinguished academicians, researchers, and literary scholars from various institutions to deliberate on contemporary issues in Hindi literature. Dr. Mohanarao's presentation offered insightful perspectives on [insert topic or theme of the paper, if available], contributing meaningfully to the academic discourse. His participation not only reflected the intellectual engagement of KRKGDC but also strengthened the institution's commitment to promoting scholarly exchange and fostering interdisciplinary dialogue.

Dr. Prasad Challa, Lecturer, Department of Computer Science, KRK Government Degree College, Addanki participated in Two Week Online **Refresher Course** on "IOT & Applications" held from 09/12/2024 to 23/12/2024 and successfully completed with A+ Grade

KRKGDC Faculty Extend Heartfelt Wishes on Grihapravesham of Dr. V. Prasad

The faculty and staff of KRKGDC, Addanki came together to convey their heartfelt wishes to Dr. V. Prasad, Lecturer in Physics, on the auspicious occasion of his Grihapravesham (Housewarming Ceremony). Led by the Principal, Dr. V. Mohanarao, the KRKGDC community celebrated the milestone with warm greetings, symbolizing professional camaraderie and shared joy. The occasion marks a significant personal achievement for Dr. Prasad, and the well-wishes reflected the mutual respect and supportive environment fostered within the college.

Dr.Ch.Vijaykumar, Lecturer in Telugu joined in this college on 4th February 2025
Dr.V.Mohanarao, Principal expressed best wishes
