INTERNATIONAL YOGA DAY CELEBRATED AT KRKGDC, ADDANKI

Addanki, June 21, 2024 – The Sri Katta Ramakoteswararao Government Degree College (KRKGDC) celebrated International Yoga Day with great enthusiasm and participation from students and faculty alike. The event was graced by Principal Dr. V. Mohanarao and featured various demonstrations by esteemed faculty members.

Sri A. Shikhamani, Lecturer in Commerce, led the attendees through an invigorating session of various asanas and suryanamaskaras, showcasing the physical benefits of yoga and its ability to enhance overall well-being. Following this, Dr. V. Prasad, Lecturer in Physics, demonstrated the techniques of Pranayama. He explained the science behind breath control and how it can significantly improve mental clarity and reduce stress. The event concluded with a session on Heartfulness meditation, demonstrated by Sri M. V. Satyanarayana, Lecturer in Hindi. He guided participants through the meditation process, emphasizing its importance for achieving inner peace and emotional balance. Principal Dr. V. Mohanarao expressed his gratitude towards the faculty for their insightful demonstrations and highlighted the importance of incorporating yoga and meditation into daily life for a healthier, more balanced lifestyle. The event was a resounding success, leaving attendees inspired and motivated to continue their practice of yoga and meditation.

Admission Campaign for Undergraduate Courses in B.Sc. (Maths, Botany, Computer Science), B.Com (Computer Applications), and B.A. (Economics)

Are you a recent intermediate pass-out with dreams of pursuing higher education in science, commerce, or the arts? Look no further! Our prestigious institution is now accepting applications for undergraduate courses in B.Sc. (Mathematics, Botany, Computer Science), B.Com (Computer Applications), and B.A. (Economics) for the upcoming academic year.

Why Choose Us?

Our institution is renowned for its excellent academic programs, experienced faculty, and state-of-the-art facilities. We are committed to providing a supportive and enriching environment that fosters academic excellence and personal growth.

Programs Offered:

1. B.Sc. in Mathematics:

- Dive deep into the world of numbers and equations.
- Develop analytical and problem-solving skills.
- Prepare for a wide range of careers in academia, industry, and research.

2. B.Sc. in Botany:

- Explore the fascinating world of plants and their environments.
- Gain hands-on experience in our modern laboratories and research facilities.
- Prepare for careers in environmental science, agriculture, and biotechnology.

3. B.Sc. in Computer Science:

- Master the fundamentals of computing and software development.
- Learn from industry experts and gain practical experience.
- Open doors to careers in software engineering, data analysis, and more.

4. B.Com in Computer Applications:

- Combine business acumen with technological expertise.
- Learn to apply computer solutions to business challenges.
- Prepare for careers in business analysis, IT management, and accounting.

5. B.A. in Economics:

- Understand the principles governing economies and markets.
- Develop critical thinking and quantitative analysis skills.
- Pursue careers in finance, policy making, and international relations.

Eligibility Criteria:

Candidates who have successfully completed their intermediate education (10+2) are eligible to apply for these undergraduate programs. The application process is streamlined through the Andhra Pradesh State Higher Education (APSHE) portal.

How to Apply:

1. Visit the APSHE Portal:

- Go to the official APSHE website. <https://cets.apsche.ap.gov.in/APSCH/OAMDC24/OAMDCHome.html>

2. Register and Fill Out the Application:

- Create an account and fill in the required details accurately.

3. Choose Your Desired Course:

- Select the course you wish to apply for from the available options.

4. Submit Necessary Documents:

- Upload your intermediate certificate and other required documents.

5. Pay the Application Fee:

- Complete the payment process as per the instructions on the portal.

6. Submit Your Application:

- Review your details and submit the application.

Important Dates:

- Application Start Date: [02-07-2024]
- Application Deadline: [25-07-2025]
- Merit List Announcement: [30-07-2024]
- Counseling and Admission: [03-08-2024]

KRKGDC, Addanki Students Secure Admissions in Prestigious Universities through APPGCET

Students from KRKGDC, Addanki have achieved remarkable success by securing admissions to various prestigious universities through the Andhra Pradesh Post Graduate Common Entrance Test (APPGCET).

This significant accomplishment is a testament to the hard work and dedication of the students and the unwavering support and guidance provided by the college faculty.

The students have been admitted to a diverse range of courses across different universities, reflecting the breadth of their academic interests and capabilities. From sciences to arts and commerce, the successful candidates are set to pursue their higher education in renowned institutions.

Dr. VMohanarao, the Principal of KRKGDC, expressed immense pride in the students' achievements. "Our students have shown exemplary dedication and perseverance. Securing admissions through competitive exams like APPGCET is no small feat. It is a moment of great pride for the entire KRKGDC community," he said.

Faculty members who played a crucial role in mentoring and preparing the students for these competitive exams also shared their delight. They emphasized the importance of such achievements in motivating other students and raising the academic standards of the institution. Parents and guardians of the successful students echoed these sentiments, expressing their joy and gratitude for the college's role in their children's academic journeys.

The admissions through CUTE and APPGCET mark a significant milestone for KRKGDC, Addanki, showcasing the college's commitment to fostering academic excellence and providing students with the necessary resources and support to achieve their educational goals.

As these students embark on their new academic ventures, the KRKGDC community wishes them continued success and looks forward to their future accomplishments.

Clean and Green & Swachh Bharat Initiatives Launched at KRKGDC, Addanki

Sri Katta Ramakoteswararao Government Degree College (KRKGDC) reopened after the summer holidays with a renewed commitment to cleanliness and environmental sustainability. As part of the Clean and Green and Swachh Bharat initiatives, the college organized a campus-wide clean-up drive, engaging students, faculty, and staff.

Principal Dr. V.Mohanarao inaugurated the event, emphasizing the importance of maintaining a clean and green environment. "A clean campus reflects our commitment to a healthier and more sustainable future," she stated. The activities included planting trees, cleaning classrooms, and setting up waste segregation units.

Students enthusiastically participated, echoing the collective goal of making KRKGDC a model for other institutions. The initiatives aim to foster environmental awareness and instill a sense of responsibility among the youth, in line with the national Swachh Bharat Abhiyan. The college plans to hold regular clean-up drives and environmental workshops throughout the academic year, ensuring that the spirit of Clean and Green and Swachh Bharat remains a constant part of campus life.

Officials visited from Social welfare department

Officials from the Social Welfare Department visited KRKGDC, Addanki for a routine inspection. The visit aimed to ensure the college's adherence to welfare standards and assess the overall environment provided to students.

During the visit, the officials thoroughly inspected various aspects of the college, including infrastructure, academic facilities, student welfare programs, hostel, and mess facilities. They also reviewed the safety and security measures in place.

The officials noted several positive aspects of the college but also identified areas requiring improvement. They provided constructive feedback and specific recommendations to enhance the college's facilities and services for students.

This visit is part of the department's ongoing efforts to ensure educational institutions maintain high standards of welfare and support for their students. Follow-up actions and compliance with the recommendations will be monitored in subsequent inspections.
