

OPEN CLASS ROOMS

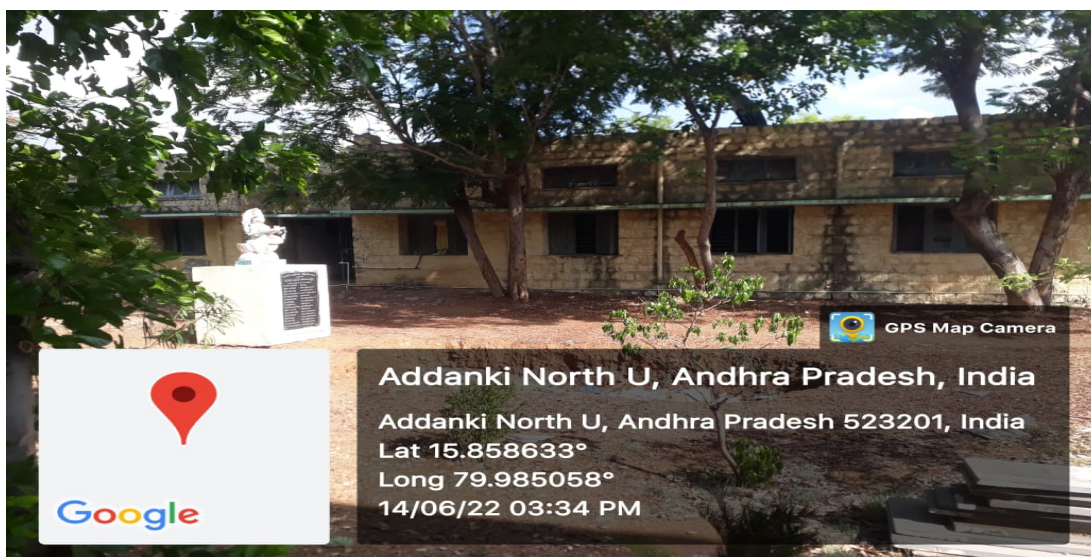

In obedience to the call given by MGNCRE to all the higher educational organizations on the eve of world environment day-2022, keeping the geographical feasibility in the view, KRK Government Degree College, Addanki, Bapatla district, Andhra Pradesh has chosen the following activities.

1. Build up! Outdoor class rooms and healthy open places on campus
2. Our Green Decisions-Showcase Your Campus Video

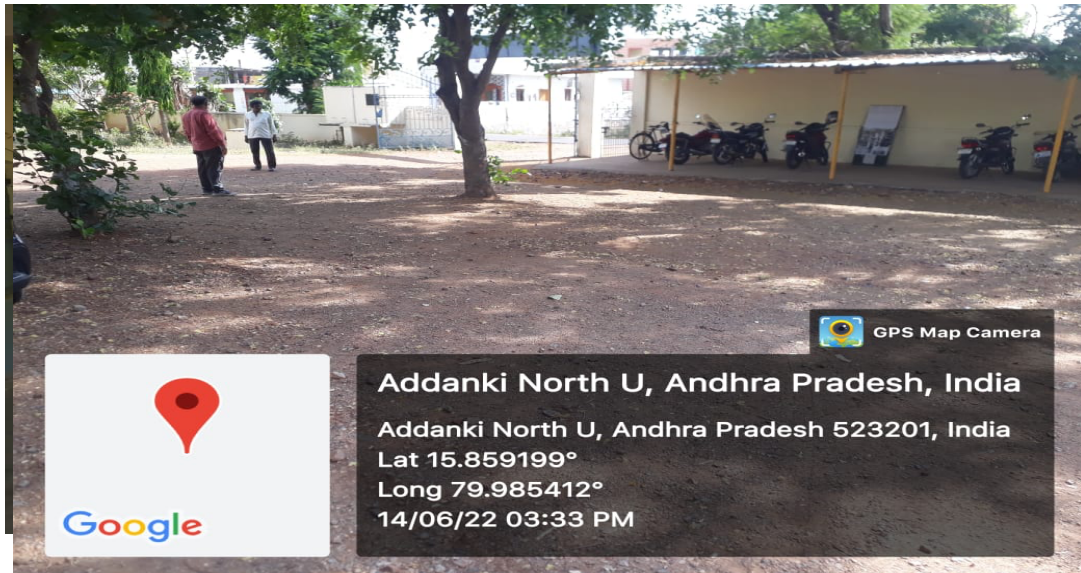

Before starting the activities execution World Environment Day-2022 has been observed online keeping ongoing public examinations for first and final year students, community service project for second year students and summer vacation in the view. As part of this students were well aware of different aspects of Environment Day and also the activities planned taking the call of MGNCRE.

1. OPEN CLASS ROOMS:

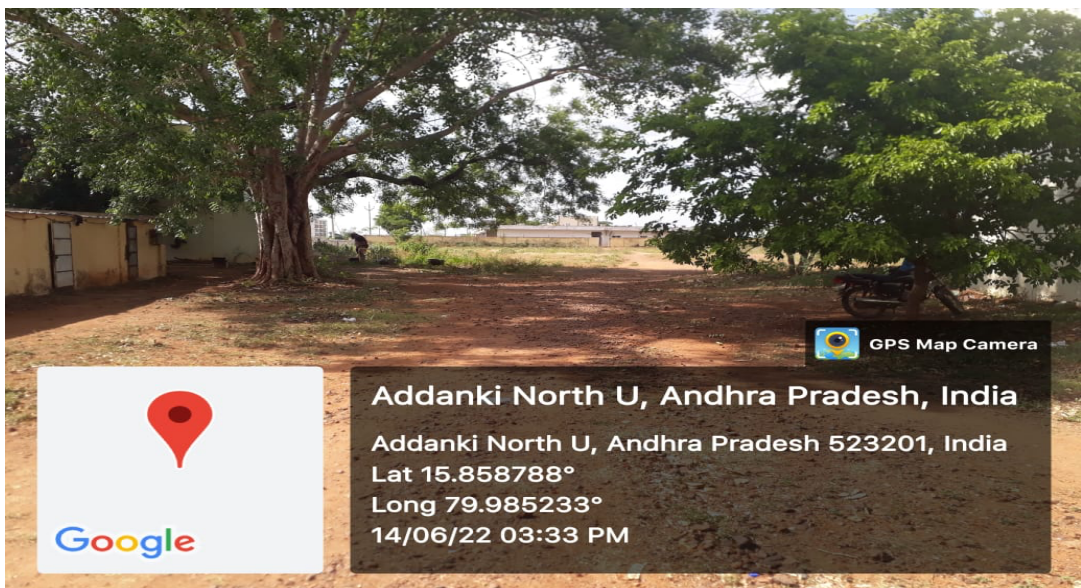

Our college campus is having good number of trees with vast canopy they provide serene and peaceful surroundings to conduct classes openly. Highlighting this very feature we have conducted the activity of outdoor class rooms. After thorough observation of campus google map 4 trees have been identified as perfect open class rooms which can accommodate 40 students easily. They are named as

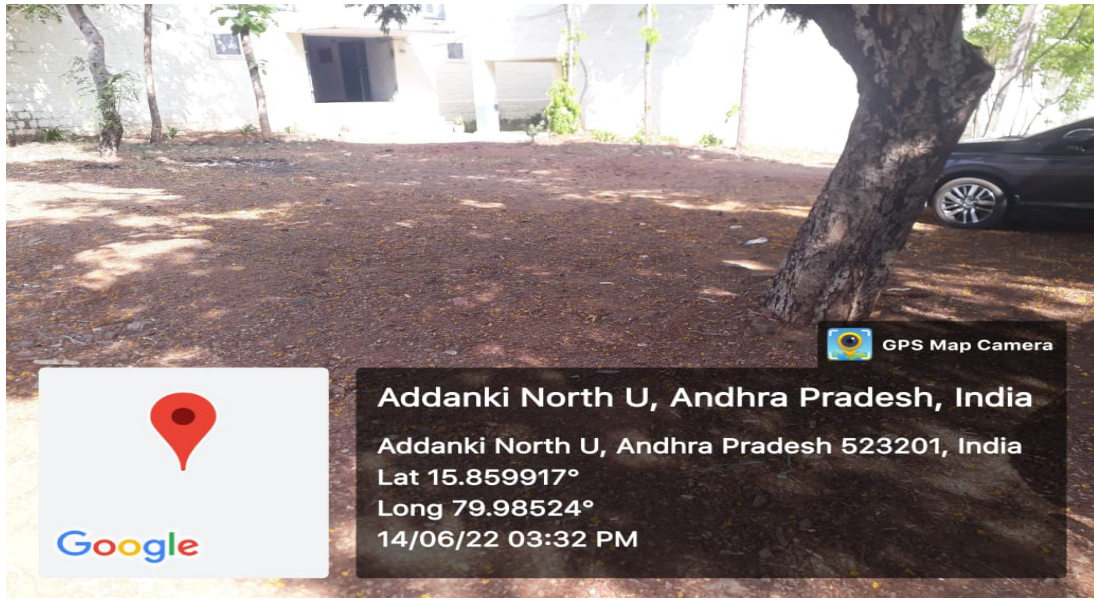

1. Peltophorum class room-1

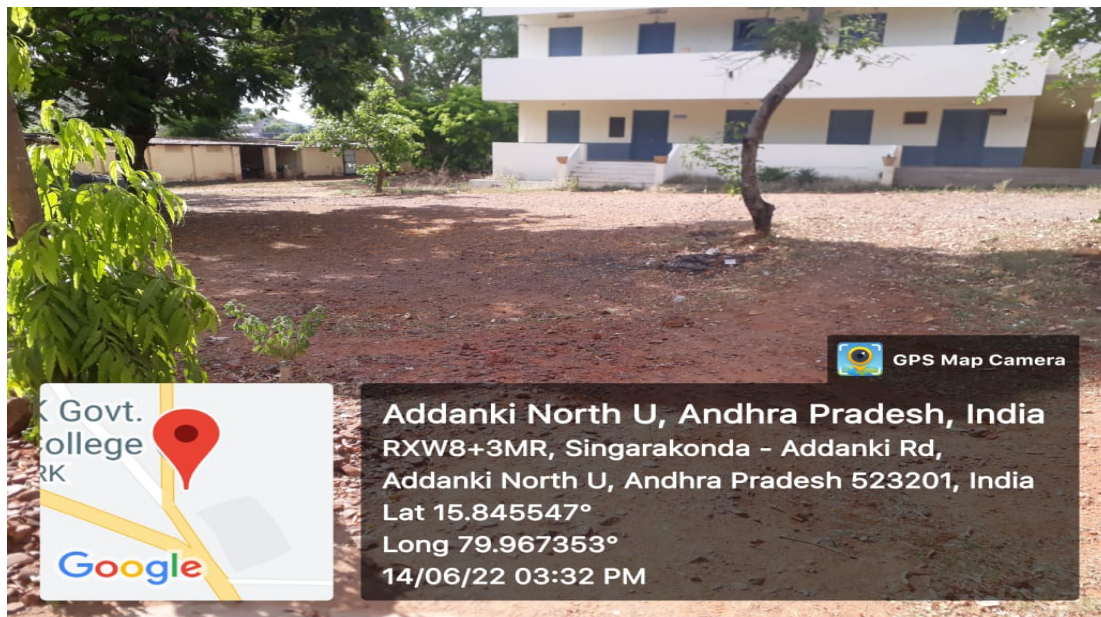

2. Pongamia class room

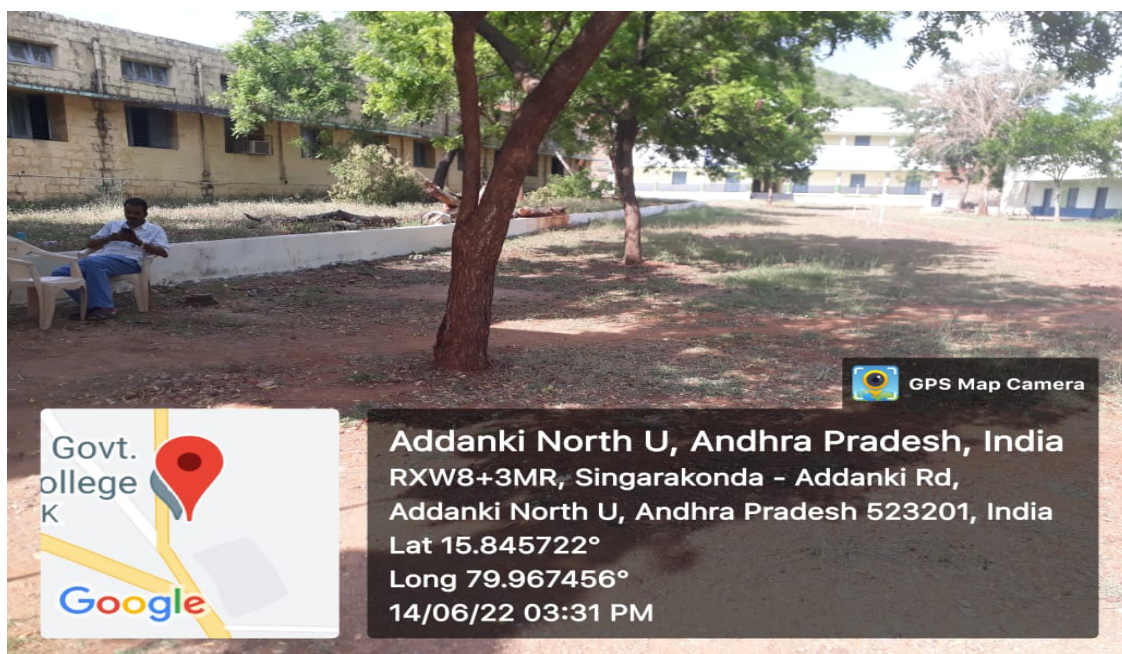

3.Ficus classroom

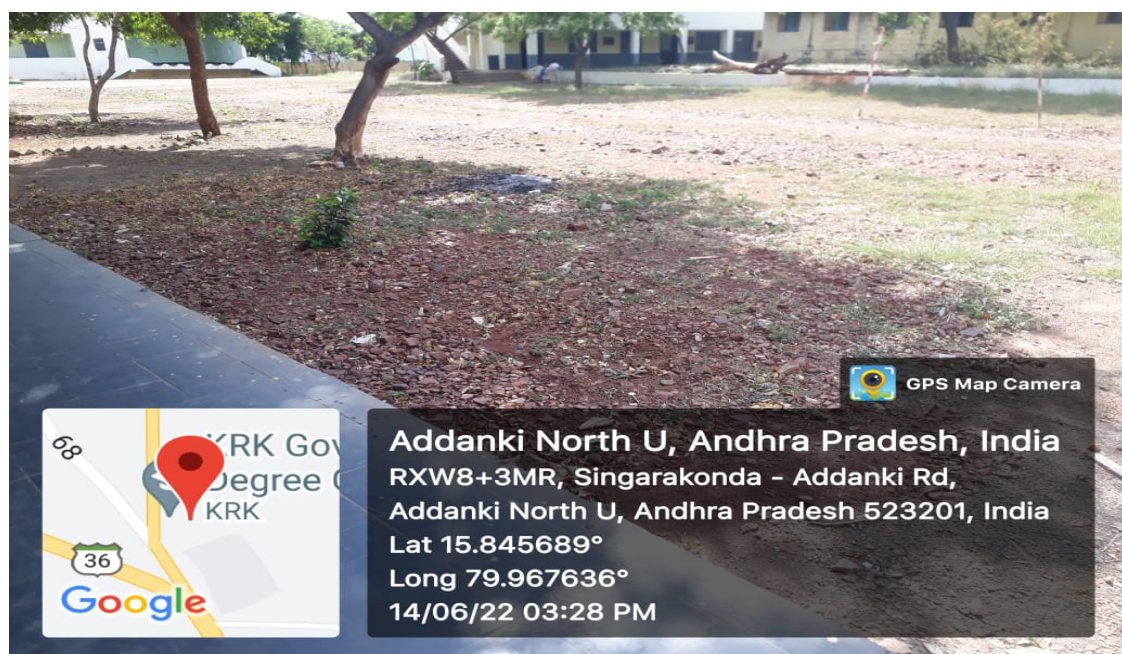

4.Peltophorum class room-2

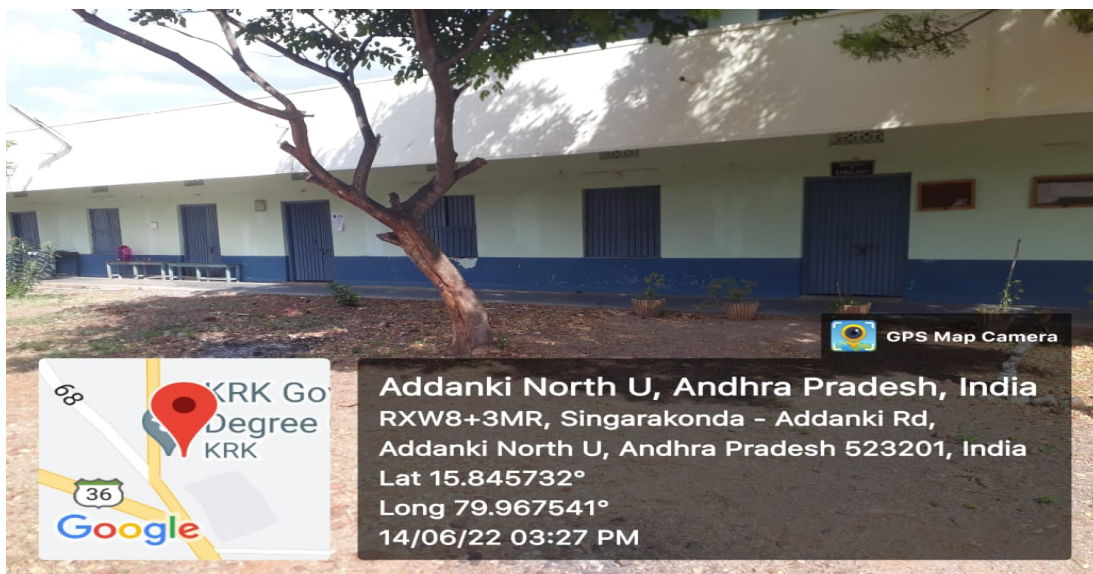

5.Cassia classroom

6.Azadiracta classroom

7.pongamia classroom-2

8.Pongamia classroom-3

1. OUR GREEN DECISIONS:

A video of campus is made covering all the ecological striking features of the campus. The video is streaming in YouTube. The following is the link of the same. This video was prepared by Sri D. Rajasekhar, Lecturer in Botany & Eco Club convenor.
